Foundation for Local and IT Development - Gevgelija

FOUNDATION FOR LOCAL AND IT DEVELOPMENT-GEVGELIJA

-PROFILE-

Foundation for Local and IT Development - (FLORIT) Gevgelija was founded on 25.07.2001, under the name Foundation "Center for Local Development - Gevgelija". Since 21.01.2005 is named Foundation for Local and IT Development - (FLORIT) Gevgelija. FLORIT - Gevgelija was formed as an initiative of the local self-government, the business sector and the civil society sector from Gevgelija.

In the past 20 years since its existence, it has been established not only in the territory of the municipality, but also in the Southeastern region of the Republic of North Macedonia and cross-border region, where it mainly carries out its activities.

According to Article 2 of the Statute of the Foundation for Local and IT Development - (FLORIT) Gevgelija, the Foundation was established as a nonprofit and nongovernmental organization, which prohibits activities from political, religious or other positions that violate human rights or threaten the interests the municipality and the state.

FLORIT-Gevgelija is engaged in promoting sustainable development policies at local and regional level with a particular focus on introducing innovations and practices for continuous learning in areas such as environment, energy, rural development, entrepreneurship and sustainable tourism.
