

ХЕРА – Асоцијација за здравствена едукација и истражување е граѓанска организација основана во 2000 година, која повеќе од 25 години работи на унапредување на сексуалното и репродуктивното здравје и права, родовата еднаквост, младинското учество, социјалната инклузија и заштитата од родово базирано насилство. ХЕРА се залага за општество во кое секој човек може слободно да ги остварува своите права, да донесува информирани одлуки и да има пристап до квалитетни, доверливи и недискриминирачки услуги, со особен фокус врз младите, жените, Ромките, ЛГБТИ луѓето, сексуалните работници, лицата што живеат со ХИВ, лицата со попреченост и другите ранливи и маргинализирани заедници.

Работата на ХЕРА се темели врз интегриран пристап што ги поврзува директното обезбедување услуги, едукацијата, мобилизацијата на заедниците, истражувањето и застапувањето за системски промени. Во периодот 2023–2025 година програмската работа беше организирана околу следните меѓусебно поврзани области: млади; сексуално и репродуктивно здравје и права; родова еднаквост и демократија и превенција од родово базирано насилство.

Застапувањето е клучен дел од институционалниот идентитет на ХЕРА. Организацијата континуирано анализира закони, политики и јавни буџети и предлага решенија во областите на репродуктивното здравје, образованието, родовата еднаквост, социјалната заштита и младинските политики. Во 2023–2025 година организацијата го прошири своето дејствување кон демократската отпорност, заштитата на граѓанскиот простор и следењето на анти-родовите и антидемократските влијанија и дезинформации.

ХЕРА работи во партнерство со државните институции, општините, училиштата, здравствените и социјалните установи, академската заедница, медиумите и организациите предводени од самите заедници. Таа е основачка или активна членка на повеќе национални коалиции и мрежи за родова еднаквост, заштита од дискриминација, борба против сиромаштијата, ХИВ, социјални услуги и заштита од насилство. На меѓународно ниво, ХЕРА е полноправна членка на Меѓународната федерација за планирано родителство – IPPF и соработува во рамките на повеќе европски и регионални мрежи. Организацијата членува и во релевантни национални тела за спроведување на Истанбулската конвенција, отворено владино партнерство, соработка меѓу Владата и граѓанското општество, националниот одговор на ХИВ и секторската координација за европска интеграција во здравството.

Со своето долгогодишно теренско присуство, професионални и лиценцирани услуги, силни партнерства со заедниците и докажано влијание врз јавните политики, ХЕРА располага со организациски капацитет истовремено да ги препознава потребите на граѓаните, да развива практични решенија и да ги преточува стекнатите искуства во одржливи системски промени.
